The Emergency Card

Now, more than ever, it is of the highest importance to come prepared, when travelling on business.

This Emergency Card will allow you to enter your personal emergency data for each trip.

Carry the card with you at all times, so you can always get the best assistance whenever an emergency takes place.

How to use the Emergency Card

1. Print the card
2. Fill in all applicable data
3. Cut out the card
4. Fold the card and put it in your wallet, where it is easily accessible for both yourself and any eventual emergency personnel.
